

International Trade Compliance

This is Acumen Detection’s Product Classification Chart. Each commodity or software product has a respective Export Control Classification Number (ECCN) (per the United States Department of Commerce Export Administration Regulations), a Commodity Code (per the United States Census Bureau's Schedule B), and a six digit Harmonized Tariff Schedule (HTS) code (per Customs and Border Protection regulations).

Acumen Detection, LLC makes no representation or warranty as to the accuracy or reliability of the classifications listed in this Classification Chart. Any use of such classifications by the user, is without recourse to Acumen Detection, LLC and is at the users’ own risk. Acumen Detection, LLC is in no way responsible for any damages whether direct, consequential, incidental, or otherwise, suffered by the user as a result of using or relying upon such classifications, for any purpose whatsoever.
